Flags Importer is proud to serve as your manufacturer for custom products with the capabilities for heat transfer, dye sublimation, digital printing, embroidery and more. Our manufacturing excels in quality control and expediting large-scale production across many plants in China, or locally printed and sewn in California for small custom orders to accommodate your deadlines.

Whether you already have artwork or will need assistance from our own design department, we take pride in the efficiency and quality we provide to facilitate your needs.

Custom Products

Our design department has years of experience in creating unique artwork for many clients. If you're looking for something fresh or just need assistance in creating your custom flag, our team is readily available, making it easy and providing personalized service. For print-ready artwork, there are steps you can take to ensure that you are getting the best possible results on your custom orders.

ARTWORK CHECKLIST

To ensure the best quality on all orders, please check the following before submitting artwork:

Saved as an acceptable file type (vector art is always recommended)

All fonts & stroked are outlined

Artwork has been proofed & spell checked for errors

Solid coated Pantone colors are included in artwork

Artwork is sized correctly for requested product

Recommended File Types:

.eps (Encapsulated PostScript)

.ai (Adobe Illustrator Document)

.pdf (Portable Document Format)

KNOW YOUR OPTIONS

These are the standard finishing and construction options for printed flags.

Single-Sided:

Printed on one side with full ink penetration so the reverse image is visible on the backside.

Double-Sided:

Constructed as two printed flags sewn back to back with a lightweight innerliner sewn in between.

Heading & Grommets:

Standard finishing for flags larger than 2x3ft. Heavy duty, 9 oz. pure white poly sateen heading with two brass grommets.

Heading & D-Rings:

Custom finishing option for flags larger than 8x12ft. Heavy duty, 9 oz. pure white poly sateen heading with heavy D-rings.

Standard Flags

All flags are printed on 100% denier Polyester. Includes white header tape with 2 brass grommets and features double-stitching around all edges for durability with 4 rows of stitching on the fly edge.

FEATURES:

No minimum quantity

720 DPI high resolution digital sublimation printing

Ink penetrates to back side for reverse face back side

Perfect for 4-color process, T spot colors, and full bleed artwork

Washable & scratch resistance

Production time is 4-8 weeks
